To ensure the safety, professionalism, and compliance of our walks, it is essential that all mandatory qualifications are held with the **correct course code** (e.g. SISSS00126 for Wilderness First Aid) and have been obtained through a **Nationally Recognised Training Organisation (RTO)**. This guarantees your credentials meet Australian industry standards and enables us to meet our licensing and risk management obligations. Please double-check your certifications for currency and legitimacy before applying.
